Report of Independent Auditors

To the Board of Trustees Channel 5 Public Broadcasting, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Channel 5 Public Broadcasting, Inc. (PBS Reno or the Organization), which comprise the statements of financial position as of September 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Channel 5 Public Broadcasting, Inc. as of September 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Note 1 - Organization and Nature of Operations

Channel 5 Public Broadcasting, Inc. (PBS Reno or the Organization) is a nonprofit corporation organized on January 15, 1981 under the laws of the State of Nevada to operate a public television station in Reno, Nevada. PBS Reno is supported through individual giving, federal funding, corporate support, foundations and private grants, production services and special events.

The following describes the nature of PBS Reno's program and supporting services:

Broadcasting

PBS Reno's mission is to entertain your curiosity.

Education and outreach

PBS Reno's education and outreach activities extend the value of programming into the classroom and the community. Professional development for teachers, media literacy workshops for parents, events for children and opportunities for adults to discuss important issues ensure that program services are not confined to a broadcast schedule.

Marketing

PBS Reno's marketing efforts provide area outreach to highlight all of their activities and to showcase the PBS Reno brand.

Production

PBS Reno's local production tells the stories of northern Nevada communities through all public service media.

Programming

Programming is PBS Reno's core business and is the foundation on which all other station activities rest. The programming is designed to appeal to a diverse audience, with content ranging from drama, the arts, news, public affairs, history, culture and science.

General and administration

Administration expenses include functions necessary to maintain an equitable employment program, ensure an adequate working environment, provide coordination of PBS Reno's programs and manage the Organization's financial and budgetary responsibilities.

Fundraising

PBS Reno's development staff manages a variety of fundraising activities which combine to keep the station financially sound. This diversity of funding sources supports all aspects of PBS Reno's services, from production and programming to education and outreach.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, which is consistent with the Financial Reporting Guidelines Supplemental Guide issued by the Corporation for Public Broadcasting.

Recently adopted standards

As of October 1, 2020, PBS Reno adopted FASB ASU No. 2014-09, *Revenue from Contracts with Customers* (Topic 606), using the modified retrospective method. The core principle of Topic 606 is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The adoption of ASU 2014-09 did not have a significant impact on the financial statements.

As of October 1, 2020, PBS Reno adopted ASU No. 2018-13, *Fair Value Measurement* (Topic 820): *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*. This guidance is intended to improve the effectiveness of disclosures in the notes to the financial statements by facilitating clear communication of the information required that is most important to users of the financial statements. The standard modifies the disclosure requirements on fair value measurements founded with Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements*, including streamlining disclosures related to transfers between Level 1 and Level 2 classifications, and simplifying disclosures for Level 3 assets and liabilities. The Organization's fair value disclosures in Note 4 reflect the changes required by ASU No. 2018-13.

Financial statement presentation

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets available for use in general operations and not subject to donor restrictions. PBS Reno's Board has designated the use of various contributions for their discretion. The funds are used to meet operating and capital needs.

Net assets with donor restrictions – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of PBS Reno and/or the passage of time. When a restriction is met, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Also included in this category are net assets subject to donor-imposed stipulations which must be maintained in perpetuity by PBS Reno. Generally, the donors of these assets permit the use of all or part of the income earned on any related investments for general or specific purposes.

Note 2 – Summary of Significant Accounting Policies (continued)

Use of estimates

The preparation of financial statements, in conformity with generally accepted accounting principles in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents

All cash and highly liquid investments with original maturities of three months or less are considered cash and cash equivalents.

Accounts receivable

Accounts receivable consist primarily of noninterest-bearing amounts due for uplinks and underwriting and are recorded net of the allowance for doubtful accounts. An allowance for uncollectible receivables is provided based upon management's judgment, including such factors as prior collection history and type of receivable. Accounts are charged off when all collection efforts have been exhausted. Accounts receivable are reported on the statements of financial position net of the allowance for doubtful accounts of \$10,000 at September 30, 2021 and 2020.

Prepaid expenses and other assets

Prepaid expenses and other assets consist of expenses paid in advance but not yet incurred and inventory of program-related merchandise held for sale. Inventory is stated at the lower of cost or net realizable value, determined by the first-in, first-out method. No allowance for inventory obsolescence was considered necessary at September 30, 2021 and 2020.

Land held-for-sale

During the year ended September 30, 2020, PBS Reno received a donation of a parcel of land. Management's intention is to sell the land as soon as is feasible. Land held-for-sale is stated at the fair value at the date of donation and totaled \$560,000 as of September 30, 2021 and 2020.

Note 2 - Summary of Significant Accounting Policies (continued)

Property and equipment

Property and equipment additions greater than \$2,500 are recorded at cost, or if donated, at estimated fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets, or in the case of capitalized leased assets, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any remaining gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed when incurred. The estimated useful lives by asset classification are as follows:

	Life in Years
	•
Building	10–40
Broadcasting and DTV equipment	2–40
Office computer equipment	3–7
Furniture and fixtures	5–15
DDF equipment	2–20
Automobiles and trucks	5–10

PBS Reno reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the years ended September 30, 2021 and 2020.

Beneficial interest in assets held by community foundation

During 2013, PBS Reno established an endowment fund (the Fund) with a community foundation and named itself as beneficiary. PBS Reno granted variance power to the community foundation which allows it to modify any condition or restriction on its distributions for any specified charitable purpose or to any specified organization if, in the sole judgment of its Board of Trustees, such restriction or condition becomes unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community. The Fund is held and invested by the community foundation for the Organization's benefit and is reported at fair value in the statements of financial position, with distributions and changes in fair value recognized in the statements of activities.

Investments

PBS Reno records investment purchases at cost on the date of purchase, or if donated, at estimated fair value on the date of donation. Thereafter, investments are reported at their fair values in the statements of financial position. Net investment return or loss is reported in the statements of activities and consists of interest and dividend income and realized and unrealized gains and losses, less external and direct internal investment expenses.

Deferred revenue

Deferred revenue is primarily underwriting production and programming advances for projects in progress. Deferred revenue is recognized as expenses are incurred.

Note 2 - Summary of Significant Accounting Policies (continued)

Paycheck Protection Program (PPP) loan payable

In May 2020, PBS Reno received a PPP loan in the amount of \$437,465. See Note 6. It is PBS Reno's policy to account for this loan in accordance with ASC 470, *Debt*, with interest accrued and expensed over the term of the loan, or until forgiveness is granted, releasing PBS Reno from being the primary obligor.

Revenue and revenue recognition

Grants and contributions – PBS Reno is supported primarily through grants and contributions from a variety of sources including individuals, federal, state and local governments, foundations, and businesses. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Membership contributions are recognized when received and are not considered an exchange transaction as no benefit is received by those purchasing memberships. Conditional promises to give – that is, those with a measurement performance obligation or other barrier and a right of return – are not recognized until the conditions on which they depend have been substantially met in accordance with ASU No. 2018-08. As of September 30, 2020, refundable advances totaled \$112,500. There were no refundable advances as of September 30, 2021.

Underwriting – Content creation and programming is supported in the form of underwriting from individuals, businesses and community organizations. Underwriting support is recognized as revenue when broadcast. Amounts received prior to broadcast are reported as deferred revenue in the statements of financial position. As of September 30, 2021 and 2020, deferred revenue related to underwriting totaled \$49,646 and \$59,973, respectively.

Donated services and in-kind contributions – Contributed goods are recorded as in-kind contributions at estimated fair value on the date of donation. Donated services are recorded as in-kind contributions when specialized services are performed that would otherwise be purchased or performed by salaried personnel and when PBS Reno exercises control over the duties of the donor's services. See Note 10.

Advertising

Advertising costs are expensed as incurred, and totaled \$11,232 and \$9,193 during the years ended September 30, 2021 and 2020, respectively.

Fundraising expenses

All costs attributable to the production, printing, and mailing of literature to the public, that have both an educational and fundraising appeal, have been recorded as fundraising expenses in the financial statements as they do not meet the requirements for the allocation of joint costs as provided by accounting standards.

Functional allocation of expenses

The costs of conducting program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Note 2 – Summary of Significant Accounting Policies (continued)

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include facilities and occupancy, depreciation and amortization, which are allocated based on a square footage basis, as well as salaries, employee benefits, payroll taxes, professional services, office expenses, computer and equipment maintenance, insurance, and other, which are allocated on the basis of estimates of time and effort.

Income taxes

PBS Reno is organized as a Nevada nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3), qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi), and has been determined not to be a private foundation under Section 509(a)(1). Unrelated business income tax, if any, is insignificant and no tax provision has been made in the accompanying financial statements.

PBS Reno recognizes the tax benefit from uncertain tax positions, if any, only if it is more likely than not that the tax positions will be sustained on examination by the tax authorities, based on the technical merits of the position. The tax benefit is measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlements. PBS Reno recognizes interest accrued and penalties related to tax matters, if any, in miscellaneous expenses.

PBS Reno had no unrecognized tax benefits at September 30, 2021 or 2020. No interest and penalties were accrued for the years ended September 30, 2021 or 2020. PBS Reno files an exempt organization return and unrelated business income tax return in the U.S. federal jurisdiction.

Financial instruments and credit risk

PBS Reno manages deposit concentration risk by placing cash and money market accounts with financial institutions that management believes to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, PBS Reno has not experienced losses in any of these accounts. Credit risk associated with receivables is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from corporations, foundations and individuals supportive of PBS Reno's mission. Investments are made by investment managers whose performance is monitored by management and the Board of Trustees. Although the fair values of investments are subject to fluctuation on a year-to-year basis, management and the Board of Trustees believe that the investment policies and guidelines are prudent for the long-term welfare of the Organization.

Note 2 – Summary of Significant Accounting Policies (continued)

Subsequent events

Subsequent events are events or transactions that occur after the statement of financial position date but before financial statements are available to be issued. PBS Reno recognizes in the financial statements, the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of financial position, including the estimates inherent in the process of preparing the financial statements. PBS Reno's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of financial position but arose after the statement of financial position date and before financial statements are available to be issued. PBS Reno has evaluated subsequent events through January 20, 2022, which is the date the financial statements were available to be issued.

Note 3 - Liquidity and Availability

Financial assets and funding sources available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following at September 30:

		2021	2020
Investm Accoun	nd cash equivalents lents ts receivable ng line of credit (See Note 6)	\$ 506,570 6,727,426 45,294 250,000	\$ 987,492 4,790,538 72,792 200,000
Less:	Board-designated endowment Net assets with donor restrictions	(5,308,401) (1,348,048)	(3,764,450) (951,675)
		\$ 872,841	\$ 1,334,697

The Organization's endowment funds consist of donor-restricted endowments and funds designated by the Board as endowments. Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. Donor-restricted endowment funds are not available for general expenditure.

The Organization's Board-designated endowment of \$5,308,401 and \$3,764,450 as of September 30, 2021 and 2020, respectively, is subject to an annual spending rate as described in Note 9. Although the Organization does not intend to spend from this Board-designated endowment (other than amounts appropriated for general expenditures as part of the Board's annual budget approval and appropriation), these amounts could be available if necessary.

As part of the Organization's liquidity management plan, the Organization invests cash in excess of daily requirements in short-term investments and mutual funds.

Note 4 – Beneficial Interest in Assets Held by Community Foundation, Investments, and Fair Value Measurements

Accounting literature defines fair value as the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. PBS Reno determines fair value based on quoted prices when available or through the use of alternative approaches, such as matrix or model pricing, when market quotes are not readily accessible or available. The valuation techniques used are based on observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect PBS Reno's market assumptions. These two types of inputs create the following hierarchy:

Level 1 – Quoted prices in active markets for identical assets.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. These include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, inputs other than quoted prices that are observable for the asset, and market-corroborated inputs.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset. Unobservable inputs are used to measure fair value to the extent that observable inputs are not available. PBS Reno's own data used to develop unobservable inputs is also adjusted for market consideration when reasonably available.

PBS Reno used the following methods and significant assumptions to estimate fair value for its assets measured and carried at fair value in the financial statements:

Investments – PBS Reno's investments are comprised of mutual funds and exchange traded funds with readily determinable fair values based on quoted market prices for identical securities in active markets with daily redemption values.

Beneficial interest in assets held by community foundation – PBS Reno's beneficial interest in assets held by community foundation is based on the fair value of fund investments as reported by the community foundation.

PBS Reno had no liabilities that are required to be measured at fair value at September 30, 2021 and 2020. There were no changes in valuation methodologies or assumptions during the years ended September 30, 2021 and 2020.

Note 4 – Beneficial Interest in Assets Held by Community Foundation, Investments, and Fair Value Measurements (continued)

The following table summarizes the composition of investments and the fair value hierarchy table at September 30, 2021:

	Fair Value Measurements at Report Date Using			
	•	Quoted Prices	Significant	
		in Active	Other	Significant
		Markets for	Observable	Unobservable
		Identical Assets	Inputs	Inputs
	Total	(Level 1)	(Level 2)	(Level 3)
Investments				
Mutual funds				
Domestic equities	\$ 4,166,628	\$ 4,166,628	\$ -	\$ -
International equities	958,263	958,263	-	-
Fixed income	1,301,463	1,301,463	-	-
Exchange traded funds	301,072	301,072		
	\$ 6,727,426	\$ 6,727,426	<u>\$</u> -	\$ -
Beneficial interest in assets				
held by community	Φ 40.400	•	•	Φ 40.400
foundation	\$ 19,480	5 -	<u> </u>	\$ 19,480

The following table summarizes the composition of investments and the fair value hierarchy table at September 30, 2020:

	Fair Value Measurements at Report Date Using			
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments Mutual funds	IOIAI	(Level 1)	(Level 2)	(Level 3)
Domestic equities International equities Fixed income	\$ 3,357,607 730,045 702,886	\$ 3,357,607 730,045 702,886	\$ - - -	\$ - - -
	\$ 4,790,538	\$ 4,790,538	\$ -	\$ -
Beneficial interest in assets held by community foundation	\$ 16,236	<u>\$</u> _	<u>\$</u>	\$ 16,236

Note 5 – Property and Equipment

Property and equipment consists of the following at September 30:

	2021	2020
Building Broadcasting and DTV equipment Office computer equipment Furniture and fixtures DDF equipment Automobiles and trucks	\$ 2,916,775 5,154,292 123,143 176,285 509,067 63,126	\$ 2,876,177 5,053,648 80,149 176,285 509,067 63,126
	8,942,688	8,758,452
Less accumulated depreciation and amortization	(6,512,363)	(6,139,532)
	\$ 2,430,325	\$ 2,618,920

Note 6 - Loan Payable and Line of Credit

In May 2020, PBS Reno received a loan through the Small Business Administration (SBA) in the amount of \$437,465 under the criteria outlined in the Paycheck Protection Program (PPP) of the CARES Act of 2020. Under the terms of the agreement, interest payments were due starting November 2020 and interest accrued at a rate of 1.00% per annum. In December 2020, the Organization received notification from the SBA that the Organization's loan had been fully forgiven.

At September 30, 2021 and 2020, PBS Reno has an unsecured revolving line of credit with an approved maximum borrowing limit of \$250,000 and \$200,000, respectively, from a bank. Borrowings under the line of credit bear interest at a variable rate (4.25% and 5.75% at September 30, 2021 and 2020, respectively). There was no outstanding balance at September 30, 2021 or 2020. The line of credit will mature on June 23, 2022 and requires a 20% compensating balance arrangement by PBS Reno when an amount is drawn.

Note 7 - Commitments and Contingencies

Operating leases

In 1994, PBS Reno entered into a ninety-nine year operating lease with the University of Nevada – Reno (the University) for the land on which the Organization's building is located. In consideration of the lease, PBS Reno provides the University air time for its announcements and programs. PBS Reno also provides access to its production facilities for the University's media programs. This arrangement has been recorded as in-kind contributions on the statements of activities and facilities and occupancy expense on the statements of functional expenses.

Note 7 - Commitments and Contingencies (continued)

The Organization leases certain office equipment and land on which its broadcasting towers are located under various operating leases expiring at various dates through December 2024.

Future minimum payments associated with the operating lease agreements for succeeding years ending September 30 are as follows:

2022	9	54,741
2023		56,512
2024		32,279
2025		7,482
	9	151,014

Rent expense for the years ended September 30, 2021 and 2020 totaled \$87,478 and \$87,873, respectively.

Capital leases

As of September 30, 2020, PBS Reno leased certain equipment under capital lease. All lease payments associated with capital lease agreements were paid in full during the year ended September 30, 2021.

Leased property and equipment under capital leases at September 30 includes:

	2021	2020	
Broadcasting and DTV equipment Office computer equipment	\$ 303,588 27,973	\$ 303,588 27,973	
	331,561	331,561	
Less accumulated amortization	(137,158)	(85,907)	
	\$ 194,403	\$ 245,654	

Note 8 - Net Assets Released from Restriction

Net assets were released from restriction as follows during the years ended September 30:

	202	2020		
Satisfaction of purpose restrictions: Reclassifications and other redesignations Endowment earnings	\$	- -	\$	468,020 36,439
	\$	_	\$	504,459

Note 9 - Endowment

PBS Reno's endowment consists of six endowment funds established by donors to provide annual funding for specific activities and general operations. PBS Reno's endowment also includes certain net assets designated for endowment by the Board of Trustees. Net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Trustees has interpreted the Nevada Uniform Prudent Management of Institutional Funds Act (UPMIFA or the Act) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. At September 30, 2021 and 2020, there were no such donor stipulations. As a result of this interpretation, PBS Reno retains in perpetuity (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts donated to the endowment, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

Donor-restricted amounts not maintained in perpetuity are subject to appropriation for expenditure by PBS Reno in a manner consistent with the standard of prudence prescribed by the Act. In accordance with the Act, PBS Reno considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1. The duration and preservation of the fund
- 2. The purposes of PBS Reno and the donor-restricted endowment fund
- 3. General economic conditions
- 4. The possible effect of inflation and deflation
- 5. The expected total return from income and the appreciation of investments
- 6. Other resources of PBS Reno
- 7. The investment policies of PBS Reno

Note 9 – Endowment (continued)

Investment and spending policies

PBS Reno has a spending policy which governs the rate at which funds are transferred from the Board designated and donor-restricted endowment to the operating budget. The annual allocations to the operating fund are calculated as a percentage of the endowment market value. Year-to-year fluctuations caused by changes in market value are moderated by using a moving average, computed on the last three years of endowment market values. The annual allocation to the operating fund was limited to 4.50% and 4.75% as of September 30, 2021 and 2020, respectively, of the three-year moving average of the endowment market value. Transfers were made in accordance with the spending policy and were \$5,032 and \$297,158 during the years ended September 30, 2021 and 2020, respectively.

Periodically, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or the Act requires PBS Reno to retain as a fund of perpetual duration. There were no such deficiencies reported as of September 30, 2021 or 2020.

Changes in the endowment net assets for the year ended September 30, 2021 are as follows:

	Without Donor Restriction With Donor Restriction			Total		
Endowment net assets, September 30, 2020	\$	3,764,450	\$	951,675	\$	4,716,125
Investment return, net		1,238,961		298,823		1,537,784
Contributions		310,022		97,550		407,572
Appropriation of endowment assets pursuant to spending-rate policy		(5,032)				(5,032)
Endowment net assets, September 30, 2021	\$	5,308,401	\$	1,348,048	\$	6,656,449

Changes in the endowment net assets for the year ended September 30, 2020 are as follows:

	Without Donor Restriction		With Donor Restriction		Total	
Endowment net assets, September 30, 2019	\$	2,834,671	\$	1,265,200	\$	4,099,871
Investment return, net		573,571		190,934		764,505
Contributions		148,907		-		148,907
Reclassifications and other redesignations		468,020		(468,020)		-
Appropriation of endowment assets pursuant to spending-rate policy		(260,719)		(36,439)		(297,158)
Endowment net assets, September 30, 2020	\$	3,764,450	\$	951,675	\$	4,716,125

Channel 5 Public Broadcasting, Inc.

Notes to Financial Statements

Note 9 - Endowment (continued)

During 2020, the Organization underwent an analysis of the Organization's net assets held in perpetuity, including contacting donors. As a result of the analysis, an endowment was identified that was no longer restricted in perpetuity and has been recorded as a reclassification in the footnote above.

Note 10 - Donated Professional Services and Materials

PBS Reno received the following donated professional services and materials during the years ended September 30:

	2021		2020	
Advertising and marketing	\$	292,832	\$	226,677
Facilities and occupancy		117,730		105,923
Printing and publications		15,991		11,563
Computer and equipment maintenance		7,990		-
Rent		1,508		1,468
Professional services		-		13,989
Donor relations		<u>-</u>		7,600
		_		
	\$	436,051	\$	367,220

Volunteers contribute significant amounts of time to PBS Reno's program services, administration, and fundraising activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles.

Note 11 - Employee Benefits

PBS Reno sponsors a salary deferral and discretionary profit-sharing plan under Section 401(k) of the Internal Revenue Code covering substantially all full-time employees. The plan provides that employees who have completed ninety days of full-time employment may voluntarily contribute up to the maximum allowed by the IRS. PBS Reno matches 50% of employee contributions up to 3%. Contributions made during the years ended September 30, 2021 and 2020 totaled \$25,699 and \$24,470, respectively.

Note 12 - Uncertainty Related to COVID-19 Pandemic

Since March 2020, financial markets and economic conditions have undergone a significant negative impact as a result of the COVID-19 global pandemic. The extent of the impact of COVID-19 on PBS Reno's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and the related impact on contributors and grantors, employees, and vendors, all of which are uncertain and cannot be predicted. As such, the extent to which COVID-19 may impact PBS Reno's financial position and results of operations cannot be reasonably estimated at this time.
