Reno, NV 89503-0703

Dear Kurt:

Enclosed is the organization's 2020 Exempt Organization return.

Specific filing instructions are as follows.

**FORM 990 RETURN:**

This return has qualified for electronic filing. After you have reviewed the return for completeness and accuracy, please sign, date and return Form 8879-EO to our office. We will transmit the return electronically to the IRS and no further action is required. Return Form 8879-EO to us by August 15, 2022.

We will include copies of the 2020 extension forms with the completed return.

We will notify you upon completion of the organization's tax returns. If information pertinent to the return becomes available, please forward it to us as soon as possible. If you have questions, please do not hesitate to contact our office.

We have prepared the returns from information you provided to us without verification in accordance with the terms of the Master Services Agreement (MSA) and Statement of Work that we have in place with you. In addition, we have relied on you to alert us if you participated in any "reportable transaction," including a "listed transaction" or a "transaction of interest" as defined in IRC Section 6011, Treasury Reg. Section 1.6011-4 and other related IRS Rulings/Notices. Please contact us if you have engaged in any such transaction, or substantially similar transaction, or in a listed transaction as identified by any state in which you conduct business.

Upon examination of the returns by taxing authorities, requests may be made for underlying data. We therefore recommend that you preserve all records which you may be called upon to produce in connection with such possible examinations.

The last few years have seen significant legislative changes impacting all taxpayers. While the IRS, Treasury Department, and state taxing authorities have issued some guidance, questions remain. We've prepared your return using published guidance to date, but it is subject to change as additional guidance becomes available. Importantly, the current tax environment, including the potential for guidance to be issued with retroactive applicability, could increase your risk of penalties and the likelihood you may want or need to file amended returns.

We appreciate the opportunity to serve you. Please contact us if you have any questions concerning the tax returns or if we may be of further assistance.

Sincerely,

*Lauren A. Haverlock*
